

Northeastern Center, Inc.
POSITION OPENING

Position Title: Associate Director

Position Type: Clinical

Position Location: Outpatient Facility - Noble County (Albion)

Shift: 1st Shift

Full or Part Time Status: Full Time

Position Duties: The Associate Director is responsible for the direct administrative and clinical oversight for an assigned program/department. Specific clinical services supervised by the Associate Director include Intake/Assessment, Individual/Group Therapy, Case Management, and ADL Skill Building and include both adult and children/adolescent services. There is also an expectation of some direct client contact in accordance with program need and budget.

The Associate Director is responsible for marketing all clinical services and acts as the liaison between assigned NEC department and external referral sources. The Associate Director is responsible for executing the program's service delivery and expanding NEC's market share with DCS, area schools, and other potential referral sources.

Experience Expectations: Candidate must be a licensed professional in accordance with IPLA or is eligible for and working toward such licensure. Candidate must meet QBHP requirements.
Supervisory experience required.

Education Expectations: A Masters Degree in Social Work, Psychology, Mental Health, Counseling, Marital & Family Therapy, or related field from an accredited university

Date Position Opened: 08/13/2021
