

**Northeastern Center, Inc.**  
**POSITION OPENING**

**Position Title:** Nurse/Case Manager

**Position Type:** Clinical

**Position Location:** Outpatient Facility - Noble County (Kendallville)

**Shift:** 1st Shift

**Full or Part Time Status:** Full Time

**Position Duties:** The nurse/case manager role is primarily focused on nursing services to adults diagnosed with serious, long-term mental illness. Services shall include needed nursing and medical care as well as casemanagement coordination to assure a holistic approach to meet individual needs and assist the consumer in obtaining and maintaining psychiatric stability. The nurse also provides staff nursing functions throughout the Outpatient Division as needed in various programs to include administering medications per prescriber's orders, providing screenings, monitoring and recording of medication side effects including Tardive Dyskinesia screenings. Provides education regarding prescribed medications for clients. Serves as a nursing services resource for the Outpatient Division for such programs as Substance Abuse IOP, Outpatient Substance Abuse and other Outpatient therapy programs. Participates in Quality Improvement and Peer Review.

**Experience Expectations:** Minimum 2 years nursing experience preferred; preferably in working with long-term serious mental illness.

**Education Expectations:** LPN required.

**Date Position Opened:** 09/21/2021
